Door Tags will be hung 3-5 days before your meter installation, when construction occurs at your property:

- Water may be shut off for at least 4 hours, please plan your day accordingly
- Street parking may be limited
- Construction will require access to your yards
- Sidewalk closures (where applicable) and traffic delays may occur
- Watch for detours, signage, and lane closures when driving through construction zones.

The Permit for Temporary Entry (PTE) was mailed in June 2018. If you have not signed and returned the PTE to SCWA, please do so ensure the warranty is activated after the meter install. PTEs need to be signed and mailed to the Project Engineer at the address shown below. If you need another copy please contact Helen Rocha at (916) 874-3070 or email: [ArdenServiceMeters@saccounty.net](mailto:ArdenServiceMeters@saccounty.net).
