

**COUNTY OF SACRAMENTO NOTICE OF PUBLIC HEARING TO CONSIDER ACCEPTING
PRESUMED GROUNDWATER SUSTAINABILITY AGENCY RESPONSIBILITY**

NOTICE IS HEREBY GIVEN pursuant to California Water Code sections 10723 and 10724 and Government Code section 6066 that the County of Sacramento Board of Supervisors (Board) (acting jointly as the Board and the Sacramento County Water Agency Board of Directors to form the Sacramento County Groundwater Sustainability Agency) will hold a public hearing on Tuesday, April 8, 2025 at 2 p.m., or as soon thereafter as may be heard, as part of their regular meeting in the Sacramento County Board Chambers, County Administration building 700 H Street, Sacramento, CA 95814 to receive public oral and written comments on whether the County should accept presumed groundwater sustainability agency responsibility for unmanaged areas within its jurisdiction of the Solano Subbasin and South American Subbasin (Basin IDs 5-21.66 and 5-21.65). The Sustainable Groundwater Management Act of 2014 (SGMA) authorizes a county to accept groundwater sustainability agency responsibility for unmanaged areas of high or medium priority basins and avoid groundwater extraction reporting and subbasin probationary status that may otherwise occur. For more information on SGMA, contact California Department of Water Resources or visit <http://www.water.ca.gov/groundwater/sgm/>. Written comments may be submitted prior to the hearing to the Clerk of the Board, 700 H Street, Suite 1450, Sacramento, CA 95814.

NOTICE IS HEREBY FURTHER GIVEN that the Board may take action to accept presumed groundwater sustainability agency responsibility immediately after the public hearing.
