

How to get your clothes washer rebate

1. Purchase a new, high efficiency qualifying clothes washer between December 1, 2021 and December 31, 2022 or until rebate program, funds are depleted. Check the California Energy Consortium at www.cee1.org for a current list of qualifying models with Water Factor of 3.7 or less.
2. Purchase must be installed at a site served by Sacramento County Water Agency.
3. Submit a completed two page rebate application form, within 30 days of installing your clothes washer via mail to SCWA address provided. You need to submit the following items:
 - (1) Front page of this application form completed.
 - (2) Copy of water service bill (within past 6 months)
 - (3) Copy of purchase receipt.
4. Submitting a signed application represents agreement to have your water provider verify installation of the clothes washer, with your accompaniment. Your water provider (or their representative) may schedule an inspection.
5. The rebate amount is \$100. The rebates are for residential and multi-family (including mobile home, condos, etc.) customers only.
6. SCWA will issue rebate checks within eight to ten weeks of receipt of your completed application materials.

Qualifications

1. Purchase of material must occur within the program period of December 1, 2021 to December 31, 2022 (or until program, funds are depleted). The number of rebates is dependent upon the availability of program funds.
2. The location of installation must be served by SCWA.
3. Residential and multi-family residents or property owner applicants are eligible with water service bill provided as proof of address for site of installation.
4. Customer is eligible for receiving only one clothes washer rebate per address per calendar year.

Clothes Washer installation and disposal

You are responsible for the both the installation of new and disposal of your old clothes washer. Costs associated with either the disposal or installation is not eligible for reimbursement.

Permitting

Building permits are not required when a customer simply removes and installs a clothes washer on existing plumbing.

Disclaimer

Your water provider, SCWA reserves the right to deny an application of any participant who does not meet all requirements as outlined. SCWA reserves the right to change the terms of this program at their discretion. SCWA is not responsible for receipts or paperwork lost in the U.S. mail. SCWA cannot guarantee that the installation of the clothes washer will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.
