

Project Update

Carrisa Way/Villa Vista Way STORM DRAIN IMPROVEMENT PROJECT

JANUARY 2023

ISSUE 1

About this Newsletter

This newsletter provides current information about the Carrisa Way/Villa Vista Way Storm Drain Improvement Project. For your reference, a project map is printed on the back of this newsletter. If you have questions, please contact the project staff listed below.

Background

The Carrisa Way/Villa Vista Way Storm Drain Improvement Project area is located on Carrisa Way, Avalon Way, and Villa Vista Way, in the Arden-Arcade area. The project area consists of approximately 45 acres of medium density residential development. The project was initiated due to multiple street flooding reports within the project area over several years.

Project Description

Improvements will upgrade the existing system, alleviating street flooding in the area, and bring the system up to current drainage standards. This project will install a new drainage pipeline in Carrisa Way, Avalon Way, Marilona Drive, and Villa Vista Way. See the project map on the back of the newsletter for more detailed information.

Project Updates

The project design is being finalized and the project is scheduled for construction in summer 2023. The project went through an environmental review and was issued an exemption. The project will be presented to the Sacramento County Board of Supervisors for approval & advertisement in January 2023.

A second newsletter will be mailed out to provide an update after public bidding. The newsletter will provide additional contact information for the construction phase of the project.

Project Schedule

- Final Plans & Specifications – January 2023
- Board of Supervisors Approval – January 2023
- Project Advertisement–January 2023
- Bid Opening – March 2023
- Board of Supervisors Award – May 2023
- Construction Begins – June 2023
- Construction Ends – August 2023

All dates are tentative and subject to change
