

PROJECT *Update*

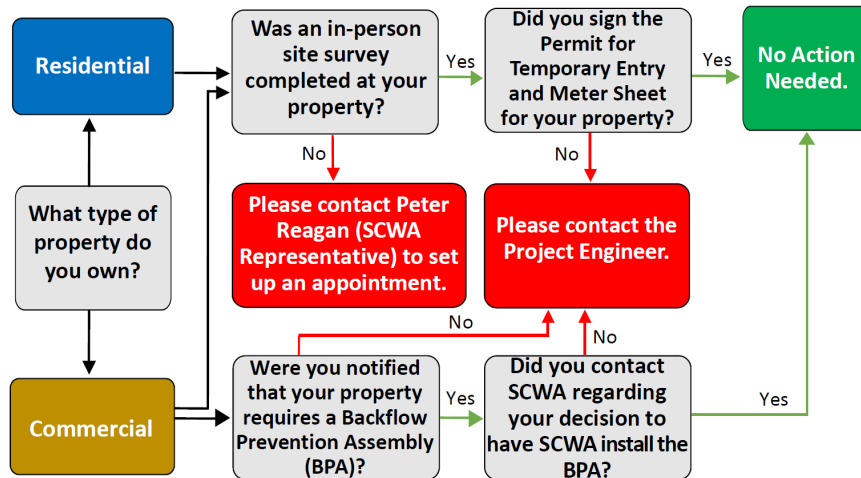

Issue No. 1 - July 2021

Phase 2B: Arden Service Area Pipe and Meter Installation Project

Purpose of this Newsletter

The Phase 2B-Arden Service Area Pipe and Meter Installation Project (Project) has begun construction in your neighborhood! Construction crews will be more visible in August as they start potholing to verify existing utilities. Sacramento County Water Agency (SCWA) will keep you informed with updates through our project newsletters, webpage and email/text notifications.

Use the following flowchart to determine if an action is required on your part. If you own a commercial property please follow both paths on the flowchart.

Contact Information

Project Engineer, Helen Rocha
Phone: (916) 874-3070
E-mail: ArdenServiceMeters@saccounty.net

Lead Construction Manager, Ricardo Bedoy
Phone: (408) 838-9572

Lead Inspector, John Vega
Phone: (916) 709-9065

Service Line Inspector, Tom Gomes
Phone: (530) 913-1872

Teichert Construction
Contractor Project Manager: Philip Crummett
Phone: (916) 997-4525

Background

The Project will abandon old distribution pipelines, install approximately 4 miles of new distribution pipelines within the street right-of-way, install 326 new service lines and meters, install new or replace 46 fire hydrants and 6 backflow prevention assemblies. Implementing this project will help: improve system reliability, provide additional fire-flow capacity, meet pipeline separation standards, lower operational and maintenance costs and meet the state mandate for water meter implementation.

Project Updates

- Board of Directors' Approval – February 23, 2021
- Bid Date – April 1, 2021
- Contract Awarded to Teichert Construction – May 18, 2021
- Begin Phase 2B Construction – July 2021
- End Construction – Expected June 2022
