

PROJECT *Update*

Issue No. 4 - November 2021

Phase 2B: Arden Service Area Pipe and Meter Installation Project

Project Updates

As of November 23rd, Teichert has installed approximately 6,500 feet of pipe and is more than 30% complete with water main installation based on the progress in Area A and Area B (see map attached). Additionally, 74 water services have been installed in Area A. In December, we anticipate Teichert to install water mains in Area C, water services in Area B, and begin testing, flushing, and disinfecting in Area A. Once fully tested, the water mains will be tied into the existing system. During this time you will see separate crews working concurrently in Area A, Area B, and Area C.

Project Engineer, Helen Rocha
Phone: (916) 874-3070
E-mail: ArdenServiceMeters@saccounty.net

Lead Construction Manager, Ricardo Bedoy
Phone: (408) 838-9572

Lead Inspector, John Vega
Phone: (916) 709-9065

Service Line Inspector, Tom Gomes
Phone: (530) 913-1872

Teichert Construction
Contractor Project Manager: Philip Crummett
Phone: (916) 997-4525

Teichert will continue placing door hangers a few days prior to the start of the water main or service line work. If you are notified for water main installation, please use this time to plan your ingress and egress accordingly. **If you are notified of a water service tie-in to your property, please plan for your water to be shut-off for the duration listed on the door hanger.** Follow direction for “No Parking” signs, closed sidewalks and stay clear of the work area for safety.

Project Summary

- Begin Construction – July 2021
- Work Completed: Layout of mainline trench, pothole of mainline and service connections, 30% of water main installation, 23% of water service installation, 23% of fire hydrant installation
- Work Remaining: Install outstanding water mains, fire hydrants, water services, test and tie-in new system, set meters, remove and/or replace fire hydrants, abandon old water mains, install ADA ramps, and restore street
- End Construction – Expected June 2022
